Corporate Volunteer Program

Make a difference! By volunteering at Queens Botanical Garden (QBG), employees will foster teamwork, spend time in nature, and discover a hidden jewel in their city.

Led by our knowledgeable staff, volunteers will participate in a variety of activities—from planting bulbs, tree care, weeding, composting, and more!

Your support helps QBG's mission to be *the place where people, plants, and cultures meet*. Your help will ensure we have healthy trees and plants to grow in our Garden and delight visitors throughout the year.

Group projects run on Thursdays from April to June, and September to November.

Book Your Volunteer Day Now!

Our team will work with you to plan the perfect day for your group, including a tour of our 39-acre oasis, picnic lunch, and hands-on gardening activities.

Volunteer Checklist

- We work rain or shine, so bring your rain gear if appropriate
- Gardening is dirty work, so dress accordingly
- Participants should be able to bend and lift 10lbs
- We provide gloves and tools
